WHY MOTHERS WORRY

Did you ever hear a mother worry over a plump child? There is no better bank of health for a child to draw from than a good supply of healthy flesh.

Scott's Emulsion not only gives a child weight and plumpness, but it feeds the brain, bones and nerves with strength and active power.

Fewer mothers would worry if they knew more about Scott's Emulsion.

Scott's Emulsion is substituted by cheap emulsions and so-called wines, cordials and extracts of cod-liver oil. They can do you no good and are dear at any price. Why buy them? Scott's Emulsion has been the one reliable preparation of codliver oil for nearly thirty years.

We'll send you a sample free upon request. SCOTT BOWNE, 409 Pearl Street, New York.
